

# FUNDRAISING OPPORTUNITIES

THREE GREAT FUNDRAISING PROGRAMS

## RAISE SOME DOUGH

Raise some dough for your non-profit organization by collecting orders for the 9" half-baked, frozen deep dish & the 12" thin crust pizzas over a two to three week period. Once the count is in, Gino's East will prepare your pizzas and deliver them free of charge to you! You will have the opportunity to make up to \$6 per pizza!

## GOOD NEIGHBOR DAY

Good Neighbor Day allows your non-profit organization to raise funds with very little effort. 15% of all net sales generated will be donated back to your group. Your organization will set-up the event on a specific day with your Gino's East coordinator. A special flyer will be distributed to the public by your group at least two weeks prior to the event date. On the day of the event, your participants will be asked to present the flyer at time of purchase which may be used for dine-in, carry-out or delivery. Once the calculations are in, Gino's will present a check to your organization.

## PIZZA POWER

Our Pizza Power fundraiser allows your organization to sell certificates redeemable for one 9" deep dish one topping pizza or one 12" thin crust one topping pizza! After all certificate orders are taken, Gino's East will send official Pizza Certificates for you to distribute. Make up to \$6 profit per pizza certificate sold! These certificates may be used for dine-in, carry-out, or delivery. Frozen pizzas may also be ordered with 24 hours notice.
